

**Her Serene Highness Princess Maya
the Baroness de Haynau**

has shared her heart with the less fortunate all her life. As Patron of Lichtenberg Foundation, the committee of The Russian Nobility Association, and the Hungarian Piarist society, all of whom support Orphans and vulnerable children.

She was greatly moved by the amazing US\$37 Billion donation by Warren Buffet to the Gates Foundation, which acted like a call to arms for the ordinary private citizen.

Bill and Melinda Gates with Warren Buffet
